

Agenda February 13th Day 1

08:30h Registration

09:00h Welcome Address

10:30h António Amorim (CITEVE)

Opening Speech

João Vasconcelos

(Secretário de Estado da Indústria)

Multimedia Presentation of the T&C Sector Performance in 2016

2016 Analysis & 2017 Perspectives and Expectations Panel

Paulo Melo (ATP)

César Araújo (ANIVÉC)

Amadeu Ferreira Fernandes (ANIT-LAR)

José Alberto Robalo (ANIL)

Moderation: Braz Costa (CITEVE)

10:30h Coffee Break

11:00h Session 1 - Megatrends

12:30h José Caldeira (ANI)

Francesco Marchi (Euratex)

Peter Dornier (DORNIER)

Nuno Lopes Gama (SONAE)

Moderation: Braz Costa (CITEVE)

12:30h Lunch

14:00h Session 2 - Advanced Fibres, Materials and Processes

15:30h Bruno Pereira (FISIPE)

- Innovative Short Acrylic Fibers

Clara Pereira (REQUIMTE/LAQV)

- Nano-coated Fabrics for Energy Storage

Roberto Teixeira (DEVAN CHEMICALS)

- Development of Functional Textile Fibres and Coatings by Advanced Additives

António Pedro Souto (UM)

- Structural Coloration in Textiles

Moderation: Carla Silva (CeNTI)

RegioTex Workshop (Session A)

Fatime Barbara Heqyi (JRC)

- The Smart Specialisation Platform for Industrial Modernisation

Ester Silva (CCDR-N)

- Smart Specialisation Strategies of the Norte region & Opportunities for the T/C sector

Lutz Walter (Textile ETP)

- The RegioTex Initiative – Objectives and State-of-play

Monika Matusiak (University of Poznan)

- ReTextile Europe - A Mapping Study of Innovation and Collaboration Potential in EU Textile Regions

15:30h Coffee Break and Poster Session

16:00h Session 3 - Digitization and Dematerialization of Textile and Clothing Prototypes

17:30h Edouard Macquin (LECTRA)

- The Future of Fashion

Luca Mosso (MACPI)

- Stitch-free Technology, When Innovation Meets Tradition

João Bernardo (MIND)

- MindCUT Automatic Cut Systems

Hendrik Van Delden (GHERZI)

- Country Report on Technical Textil in USA, Japan, South Korea and Brazil

Moderation: Pedro Rocha (PRODUTECH)

RegioTex Workshop (Session B)

Panel Discussion on Smart Specialization Strategies in EU Textile Regions and Opportunities for Regional Textile Innovation Stakeholders.

Panellists from Textile Regions in Italy, Spain and other EU Countries.

Moderation: Lutz Walter (Textile ETP)

20:00h Gala Dinner & Innovation Awards Ceremony

Chaired by Manuel Caldeira Cabral, Minister of Economy of Portugal.

Sheraton Porto Hotel & Spa

Agenda February 14th Day 2

08:30h Registration

09:00h **Session 4 - IoT and Industry 4.0**

10:30h Isabel Borges/Filipe Cabral Pinto (ALTICE LABS)

- IoT in Future Textile Industry

João Gomes (CeNTI)

- Development of Smart and Functional Solutions Integrated into Textile

Jürgen Jerzembeck (SETEX GMBH)

- Self-adapting Production Processes in Smart Factories

Hermann Freericks (THIES GMBH)

- Functional Integration in Dyeing Machines

Moderation: Luís Carneiro (INESC TEC)

Fashion, Intelligence, Trends and Prospective

Trend Drivers, Strategic and Creative

Cross-inspirations

Louise Taccoen (CARLIN)

Moderation: Paulo Gomes (Fashion Art Director)

10:30h Coffee Break and Poster Session

11:00h **Session 5 - Multifunction and Digital Processes**

12:30h Sylvia Hane (TANATEX)

- Pretreatment for Digital Printing

Marcus Dorer/Josef Os (DYSTAR/ ZIMMER)

- Vat Dyes Innovative Coloration Concepts for Industrial Digital Textile Printing

Jorgen Lindahl (SPGPRINTS B.V.)

- The Evolution in Textile Printing

Giuseppe Begnini (REGGIANI MACCHINE SPA)

- Innovative Green Processes and Technologies of Digital Printing

Moderation: Luís Almeida (UM)

RESET Seminar (Session A)

European Best Practices in Water Consumption and Energy Saving. Sustainable Companies and Organisations.

Ester Coppini (GIDA spa)

Alina Popescu (INCDTP)

Marlene Augereau (CETI)

Olga Chybová (INOTEX)

Zbigniew Draczynski (Technical University of Lodz)

Moderation: Carlos Neves

12:30h Lunch

14:00h **Session 6 - Protective Clothing and Innovative Military Textiles**

15:30h **Solutions**

Simão Sousa (Army Headquarter Forces)

- Soldier Combat System

Gilda Santos (CITEVE)

- New Approaches to Military Textiles

Hugo Alexandre Ferreira (IBBE, FCUL)

- EmoBIT: a Smart Headband for Recognizing Emotions

João Paulo Vilas Boas (LABIOMEPE)

- Biomechanics, Complex Systems and Textile Innovation

Moderation: Miguel Botelho de Sousa (idD)

RESET Seminar (Session B)

European Best Practices in Water consumption and Energy Saving. Sustainable Companies and Organisations.

Besnik Mehmeti (Municipality of Prato)

Maria Blanes (AITEEX)

Craig Lawrance (TCoE)

Daniele Spinelli (Next Technology Tecnotessile)

Paulo Calau (ADENE)

Ralf Lungwitz (STFI)

Moderation: Paulo Cadeia (CITEVE)

15:30h Coffee Break and Poster Session

16:00h **Session 7 - News Markets and Solutions of Tecnical Textiles**

17:30h Jean Marc Vienot (UPTEx)

- European Cluster Collaboration Platform

Ricardo Simoes (IPCA)

- Active System for Fall Protection

Albino Martins (3B'S)

- (Re)Generation of (Human) Tissues

Lucília S. Ribeiro (LSRE-LCM, FEUP)

- Valorization of Textile Wastes into Platform Chemicals

Moderation: José Morgado (CITEVE)

RESET Policy

Introduction to the working sessions

Paolo Guarnieri (Municipality of Prato)

Wrap-up by Event Coordinator (CITEVE)

17:30h Closing Session

Braz Costa (CITEVE) / Manuel Serrão (ASM)

sponsors
